

Angie's Super Service Award

Angela Karasick Leighton, a member of LADHS for over 30 years, was a constant outstanding member during the entire time she was one of our members. She passed away in April, 2006. A practicing clinician for over 30 years as well as a wonderful Mother and active member, Angie volunteered for numerous activities and always kept a smile on our faces while at it. In honor of her tremendous contributions we have set up this annual award for the hygienist who follows in her footsteps of service.

The Los Angeles Dental Hygienists' Society **will pay one year's professional association membership for the LADHS dental hygienist who, as a new member to LADHS, has made outstanding contributions to this society.** The current value of this Award is approximately \$305.00 which covers ADHA/CDHA/LADHS membership dues.

To be Eligible:

1. The new member will need to join his/her professional association and become actively involved with LADHS activities.
2. Upon completion of their first year as a member, they are able to apply for this Award.

Application Procedure:

1. Apply to the current President of LADHS.
2. A nomination can be self nominated or from another individual
3. The nomination letter must state the individual's activities for the preceding year listing the contributions to LADHS as an active member.
